Supervisor Ruemenapp is present and gives updates on items of interest: a new copier was purchased recently, Casco Township is in the top one third income bracket in the State, bids are due for ditching on Meisner from Meldrum to Church road which may indicate paving may occur in the foreseeable future and the new bridge over the Belle River will be clear span bridge. A costlier clear span bridge is required since the river empties directly into a lake which is a source of drinking water.

The Planning Commission is reviewing options under the new medical marihuana laws but no immediate actions or recommendations are anticipated since questions about issues about implementation of the new law remain unclear and how neighboring communities will proceed under the new law are not known yet.

A well attended neighborhood watch meeting is also being held this evening in the township meeting hall.

Old Business: None

New Business: None.

Motion to Adjourn

S. Bishop moves to adjourn. D. Goulston seconds the motion. M/C
